ROSEVILLE
SKILLED NURSING • REHABILITATION

"We placed a family member in the facility due to disability and I have been very pleased with the results. I cannot thank the administrators and staff enough for their tireless efforts and support throughout this process! They are very caring and willing to go above and beyond to take care of their residents."

Excellence in Quality Care

Quality Comfort

At The Orchards Roseville you will find four distinct wings called neighborhoods - all named after historic east side Detroit communities. Each neighborhood is custom designed to set the tone for the level of comfort you deserve and expect. The neighborhood lounge is complete with a fireplace, television, and plenty of space for a game of chess or for spreading out the Sunday paper.

Meal time is an important aspect to everyday living and we will not let you down. Our chef creates delicious meals that are served in the neighborhood dining rooms by our trained staff.

Our staff provides an environment full of love, professionalism and respect that encourages active living through music, field trips, spiritual worship, games and community involvement. Our top priority is your comfort and quality of care.

Our team is committed to meeting your expectation of care and comfort whether your stay with us is short or long term. Your health, comfort and safety is our main focus. Our physicians who specialize in a variety of areas including rehabilitation, heart, kidney, and lung disease, along with our dedicated nursing support team, provide state-of-the-art care including:

- Rehabilitation Therapies
